THIS IS UNEVALUATED INFORMATION

Harbor basin No VII in Gdynia had a floating dock of about 4,000 tons capacity in early July 1954. A total of 12 ships launched or outfitting were seen in harbor basin No VII or in the shipyard area. The twelve vessels were of a standard type between 900 and 1,000 GRT and were in various stages of construction. Some of them were almost completed, while others had just been launched. All of them had their machinery aft and the bridge amidships. The Soviet merchant flag was clearly seen on two of the vessels.
